Sir:

Reconsideration is respectfully requested of the Decision on Petition dated February 20, 2007. The Decision dismissed Petitioners' Petition for Revival of Patent Application Abandoned unintentionally Under 37 CFR 1.137(b), hereinafter referred to as "Petition", on the ground that the Petition lacked a payment of the issue fee.

This request is accompanied by an authorization to charge the issue fee for the above-identified patent application to petitioner's deposit account.

It is respectfully submitted that the payment of the issue fee is in accord with 37 CFR 1.18 and that the Petition is now in condition to be granted.

Upon grant of the Petition, Petitioners respectfully request withdrawal of the above-identified patent application from issue and consideration of the Request for Continued Examination (RCE) and the Information Disclosure Statement (IDS) submitted on September 9, 2006.

It is respectfully requested for the reasons set forth above that the dismissal of the Petition be withdrawn, that the Petition be granted, that upon grant of the Petition the application be withdrawn from issue and that the RCE and IDS be considered, that claims 1-4 and 6-24 be allowed, and that this application be passed to issue.

Respectfully Submitted,

Date: 4/17/07
